RE: QH Lagoon, LLC

With reference to the "Protection of Customer Data"
Powdersville Water company collects funds from the
residences of Quail Haven for the sewer. They also
keep customer records.

The residences are now paying to the water company
\$30.00 per month. This was established several years ago.
If the customer does not pay, the water company will then
cut off their water which means the county can properly
condemn the house.

The water company pays QH Lagoon a percentage of
the collections.

Sincerely,
